

MATERIAL SAFETY DATA SHEET

Section 1. Product and Company Identification

Product Name: Gigi Hair Removal Strips for the Face-Lavender & Vanilla Adhesive Wax Strip
Formula: 51-0035
Item#: Kit 0399

DATE: 8/13/2007
REV: NEW

Manufacturer: American International Industries
2220 Gaspar Ave
Los Angeles, CA 90040
Chem-Tel: (800) 255-3924

Section 2. Composition / Information on Ingredients

Hazardous Ingredients:

Component	CAS #	%	TOXICOLOGICAL DATA
No Hazardous Ingredients			

Section 3. Hazardous Identification

Potential Health Effects, Signs and Symptoms of Exposure:

Primary Route of Entry: Eyes or skin (No absorption).
Product as is: Acute and chronic health effects are not expected as long as good hygiene and safety precautions are followed.
Eye: May cause redness or irritation
Skin: No significant adverse effects are anticipated.
Ingestion: No significant adverse effects are anticipated.
Inhalation: No significant adverse effects are anticipated.

Section 4. First Aid Measures

First Aid for Eye: Flush with water for 15 minutes, including under eyelids. Seek medical attention if discomfort persists.

First Aid for Skin: Discontinue if any irritation occurs. Seek medical attention if discomfort persists.

First Aid for Inhalation: Remove to fresh air. Seek medical attention if discomfort persists.

MATERIAL SAFETY DATA SHEET

First Aid for Ingestion: Rinse mouth out with water. Only induce vomiting if directed by a physician. Never give anything by mouth to an unconscious person. Seek medical attention.

Section 5. Fire Fighting Measures

Flash Point (°F/°C): Not applicable

Flammable Limit (vol%): Not applicable

Auto-ignition Temp. (vol%): None Established

Extinguisher Media: Carbon Dioxide, Foam, Water Fog and dry chemical

Fire Fighting Instructions: Wear protective clothing to prevent contact with skin and eyes. Do not release runoff from fire control methods to sewers or waterways.

Fire Fighting Equipment: Because fire may produce toxic thermal decomposition products, wear a self-contained breathing apparatus (SCBA) with a full face piece operated in pressure-demand or positive-pressure mode.

Section 6. Accidental Release Measures

Spill or Release Procedures: No special precautions necessary. Sweep up to avoid slipping hazard.

Section 7. Handling and Storage

Handling: Observe precautions found on the label. Wash face and hands thoroughly with soap and water after handling and before eating, drinking or smoking. Avoid contamination. Use only with adequate ventilation.

Storage: Store in a cool, dry place away from heat, sparks, flame and direct sunlight. Store away from combustibles and incompatible materials.

Section 8. Exposure Controls / Personal Protective Equipment

Engineering Controls: Provide local exhaust.

Personal Protective Equipment

Hand Protection: When handling product at ambient temperatures, use disposable nitrile, neoprene or butyl rubber gloves with repeated or prolonged use.

Eye Protection: With product at ambient temperatures, use safety glasses equipped with side shields.

MATERIAL SAFETY DATA SHEET

Body Protection: Prevent skin contact by using an apron or slicker suit.

Respiratory Protection: The need for respiratory protection is not anticipated under normal use conditions and with adequate ventilation.

General Hygienic Practices: Avoid contamination of food, beverages, or smoking materials. Wash thoroughly after handling, and before eating, drinking or smoking. Remove contaminated clothing promptly and clean thoroughly before reuse.

Section 9. Physical and Chemical Properties

Appearance 25°C:	Violet colored thick adhesive	Viscosity (RVT) @ 25°C	Not available
Odor:	Characteristic	Vapor Pressure:	Not applicable
pH	Not applicable	Vapor Density:	Not applicable
Specific Gravity:	Not applicable	Evaporation Rate:	Not applicable
Ignition:	Not applicable		
% Volatile	Not applicable		
Boiling Point / Freezing Point	Not applicable		
Solubility in water:	Insoluble		

Section 10. Stability and Reactivity

Stability: Stable

Hazardous Decomposition Products:
None.

Incompatibility (Materials to Avoid):
None.

Hazardous Polymerization:
Will not occur

Conditions to Avoid: Heat and open flames

Section 11. Toxicological Information

Acute Oral Toxicity: No data available

MATERIAL SAFETY DATA SHEET

Acute Toxicity to Invertebrates:

No data available

Acute Toxicity to Algae:

No data available

Irritation - Skin:

No data available

Irritation - Eye:

No data available

Sensitization:

No data available

Mutagenicity:

None

Sub-chronic Toxicity: None

Section 12. Ecological Information

Ecotoxicological Information

Acute Toxicity to Fish:

No data available

Acute Toxicity to Invertebrates:

No data available

Acute Toxicity to Algae

No data available

Bioconcentration:

No data available

Toxicity to Sewage Bacteria:

No data available

Chemical Fate Information

Biodegradability:

No data available

Chemical Oxygen Demand:

No data available

Section 13. Disposable Considerations

May be disposed of in a landfill or incinerated. Follow Federal, State and Local regulations for disposal.

Section 14. Transportation Information

MATERIAL SAFETY DATA SHEET

Proper Shipping Name: Non-Regulated Material

Identification Number: N/A

Marine Pollutant: No

Special Provisions: N/A

Emergency Response Guidebook (ERG)#: N/A

Section 15. Regulatory Information

Regulatory information available upon request

Section 16. Other Information

No additional information available.

MATERIAL SAFETY DATA SHEET

Section 1. Product and Company Identification

Product Name:	Gigi Hair Removal Strips for the Face-Lavender & Vanilla Skin Smoothing Oil	DATE:	3/2/2007
		REV:	NEW
Formula:	30-4115		
Item#:	Kit 0399		
Manufacturer:	American International Industries 2220 Gaspar Ave Los Angeles, CA 90040		
Chem-Tel:	(800) 255-3924		

Section 2. Composition / Information on Ingredients

Hazardous Ingredients:

Component	CAS #	%	TOXICOLOGICAL DATA
No Hazardous Ingredients			

Section 3. Hazardous Identification

Potential Health Effects, Signs and Symptoms of Exposure:

Primary Route of Entry: Skin

Eye: This product is minimally irritating to the eyes upon direct contact. Based on testing of similar products and/or components.

Skin: This product is not expected to cause any skin irritation upon direct single or repeated and prolonged contact; however; similar chemical composition products applied to the skin of laboratory animals resulted in minimal to slight dermal irritation.

Ingestion: This product is relatively non-toxic by ingestion unless aspiration occurs. Aspiration may lead to chemical pneumonitis which is characterized by pulmonary edema and hemorrhage and may be fatal. Signs of lung involvement include increased respiratory rate, increased heart rate and a bluish discoloration of the skin. Coughing, choking, and gagging are often noted at the time of aspiration. Gastrointestinal discomfort may develop, followed by vomiting with a further risk of aspiration. This product has laxative properties and may result in abdominal cramps and diarrhea.

Inhalation: This product has a low vapor pressure and is not expected to present an inhalation hazard at ambient conditions. Caution should be taken to prevent aerosolization or misting of this product.

Section 4. First Aid Measures

MATERIAL SAFETY DATA SHEET

First Aid for Eye:	Immediately flush eyes with large amounts of water and continue flushing until irritation subsides. If material is hot, treat for thermal burns and seek immediate medical attention.
First Aid for Skin:	Remove contaminated clothing. If material is hot, submerge injured area in cold water. If victim is severely burned, remove to a hospital immediately.
First Aid for Inhalation:	This material has a low vapor pressure and is not expected to present an inhalation exposure at ambient conditions.
First Aid for Ingestion:	May act as a laxative. Do not induce vomiting due to aspiration hazard. If vomiting should occur, lower head below knees to avoid aspiration. Seek immediate medical attention.

Section 5. Fire Fighting Measures

Flash Point (°F/°C):	320°F (160°C) (ASTM D-92 (COC))
Flammable Limit (vol%):	No data available
Auto-ignition Temp. (vol%):	No data available
Extinguisher Media:	Use dry chemical, foam, or carbon dioxide.
Fire Fighting Instructions:	Water may be ineffective but can be used to cool containers exposed to heat or flame. Caution should be exercised when using water or foam as frothing may occur, especially if sprayed into containers of hot, burning liquid.
Unusual Fire and Explosion Conditions:	Dense smoke may be generated while burning. Carbon monoxide, carbon dioxide, and other oxides may be generated as products of combustion.

Section 6. Accidental Release Measures

Spill or Release Procedures:	Notify appropriate authorities of spill. Contain spill immediately. Do not allow spill to enter sewers or watercourses. Absorb with appropriate inert material such as sand, clay, etc. Large spills may be picked up using vacuum pumps, shovels, buckets, or other means and placed in drums or other suitable containers.
------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Section 7. Handling and Storage

Handling:	Avoid breathing vapors or mist. Avoid contact with eyes. Avoid prolonged or repeated contact with skin. Wash thoroughly after handling. Wash clothing prior to reuse. May be slippery when spilled.
Storage:	Do not transfer to unmarked containers. Store in closed containers away from heat, sparks, open flame, or oxidizing materials.

MATERIAL SAFETY DATA SHEET

Section 8. Exposure Controls / Personal Protective Equipment

This product does not contain any components with OSHA or ACGIH exposure limits. If oil mist is generated, exposure limits apply.

OSHA PEL: TWA 5mg/M³

ACGIH TLV: TWA 5mg/m³; STEL 10/mg/m³

Personal Protective Equipment

Eye/Face Protection: Eye protection is not required under conditions of normal use. If material is handled such that it could be splashed into eyes, wear plastic face shield or splash-proof safety goggles.

Skin Protection: No skin protection is required for single, short duration exposures. For prolonged or repeated exposures, use impervious clothing (boots, gloves, aprons, etc.) over parts of the body subject to exposure. If handling hot material, use insulated protective clothing (boots, gloves, aprons, etc.).

Respiratory Protection: Respiratory protection is not required under conditions of normal use. If vapor or mist is generated when the material is heated or handled, use an organic vapor respirator with a dust and mist filter. All respirators must be NIOSH certified.

Personal Hygiene: Consumption of food and beverages should be avoided in work areas where hydrocarbons are present. Always wash hands and face with soap and water before eating, drinking or smoking.

Engineering Controls/Work Practices Ventilation: If vapor or mist is generated when the material is heated or handled, adequate ventilation in accordance with good engineering practice must be provided to maintain concentrations below the specified exposure or flammable limits.

Section 9. Physical and Chemical Properties

Appearance @ 25°C:	Transparent , water-white liquid	Decomposition Temperature:	Not applicable
Odor @ 25°C:	Odorless	Vapor Pressure:	<0.1 mm Hg @ 68°F
pH	No data available	Vapor Density:	> 1 (air=1)
Specific Gravity:	0.83 @ 60/60°F	Evaporation Rate:	<1 (EE=1)
Ignition:	Not applicable		
% Volatile	40.00-42.00		
Boiling Point	500 - 800°F (260-427.7°C)		
Solubility	Negligible in water. Soluble in hydrocarbons.		

Section 10. Stability and Reactivity

Stability: Stable

Hazardous Decomposition Products:

MATERIAL SAFETY DATA SHEET

Carbon monoxide, carbon dioxide and other oxides may be generated as products of combustion.

Incompatibility (Materials to Avoid):

May react with strong oxidizing agents.

Hazardous Polymerization:

Will not occur

Conditions to Avoid: High heat and open flames

Section 11. Toxicological Information

CARCINOGENICITY:

The International Agency for Research on Cancer (IARC) has concluded that highly refined mineral oils are Group 3 substances, "Not Classifiable as to their carcinogenicity to humans, " based on inadequate human and inadequate animal evidence. IARC has also concluded that there is no evidence for the carcinogenicity to experimental animals of white oils when administered by routes other than by interaperitoneal injection.

This product is not carcinogenic according to the OSHA Hazard Communication Standard.

Section 12. Ecological Information

Ecotoxicological Information

Acute Toxicity to Fish:

No data available

Acute Toxicity to Invertebrates:

No data available

Acute Toxicity to Algae

No data available

Bioconcentration: No data available

Toxicity to Sewage Bacteria:

No data available

Chemical Fate Information

Biodegradability: No data available

Chemical Oxygen Demand:

No data available

Section 13. Disposable Considerations

MATERIAL SAFETY DATA SHEET

Regulatory - All disposals must comply with federal, state, and local regulations. The material, if spilled or discarded, may be a regulated waste. Refer to state and local regulations. Caution! If regulated solvents are used to clean up spilled material, the resulting waste mixture may be regulated. Department of Transportation (DOT) regulations may apply for transporting this material when spilled.

Waste Disposal Methods - Waste material may be land filled or incinerated at an approved facility. Materials should be recycled if possible.

Section 14. Transportation Information

U.S. Department of Transportation (DOT)

Highway / Rail (Bulk): Not Regulated

Highway / Rail (Non-Bulk): Not Regulated

International Information

Vessel (IMDG): Not Regulated

Air (ICAO): Not Regulated

Section 15. Regulatory Information

Inventories:

Australian (AICS):	Listed
Canadian (DSL):	Listed
Chinese:	Listed
EC/EINECS:	Listed
Japanese ENCS:	Listed
Korean (KCL):	Listed
Philippine (PICCS):	Listed
U.S. (TSCA):	Listed

Section 16. Other Information

No additional information available.
